

Earth Hamburger

Ask students: What is in a hamburger? Write their answers on the board and then ask the students what each component of the hamburger is made from. Then ask the students: where do each of these items come from? Explain to the students that each component of the hamburger comes from the earth and how much we depend on the soil, air, and water for our food.

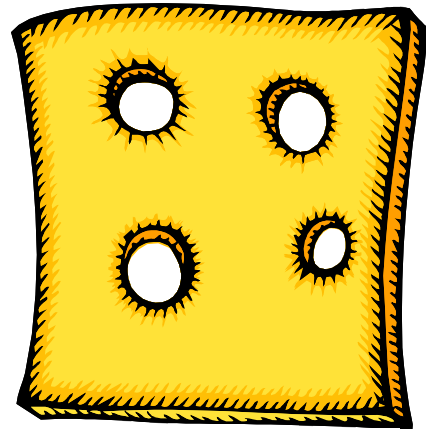

Bread: Grain

Beef: Cattle who eat grass and grain

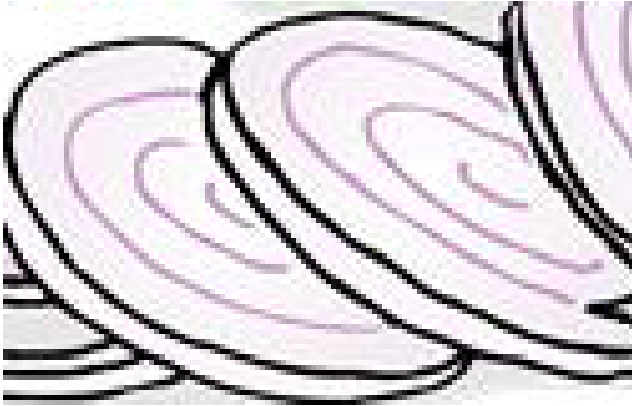

Cheese: Milk from Dairy Cows who eat silage from grain crops

Lettuce

Tomato

Onion

Pickles: cucumbers and vinegar

Ketchup: Tomatoes and seasonings

Mustard: Mustard seeds, vinegar, and seasonings

Mayonnaise: egg yolks and vinegar
